WORKSHOP PLANNED FOR PAGEANT

A workshop planned for the contestants of the Miss Shelton State Pageant will be held on Saturday, January 29, beginning at 9:30 a.m. and continuing through the afternoon. Local expertise in the areas of talent, poise, make-up and interview preparation will be at the college that day to help the contestants.

This is the last day for contestants to enter the pageant. So, if you would like the idea of possibly being Miss America or if you are just looking for a way to improve yourself, this may be your opportunity. 'We want our girls to come out of this pageant as better people for having been in it,' Judy Austin, chairman of the pageant, said. 'Our aim this year is that the girls compete with themselves rather than necessarily with the other girls. Only one girl will represent us in the Miss A labama Pageant. All of them, however, can come out better for having been in the pageant.'
